

2015 4th of July Parade Theme Announced!

The 2014 Parade was amazing and the ensuing “buzz” had many people asking, “what about next year? – what’s the theme going to be? – we want to start working on our float now!” In the past, the 4th of July Association would announce the parade theme in the Spring, but based on your feedback, here you go. The 2015 July 4th Parade Theme is: *MUSICALS*

This theme allows for literally hundreds of choices, and like this years’ *Holidays* theme, there won’t be any two floats alike. If you have an idea in mind for your float, let me know right away before someone else registers for that musical!
